## VT SVC WELCOMES TRACEY MAYNOR

**Washington, NC, 4 September 2007** - VT Specialized Vehicles Corporation, Inc (VT SVC), a company of Vision Technologies Systems, Inc (VT Systems), is pleased to welcome Tracey Maynor as Senior Vice President, Sales and Operations. VT SVC, comprising both the Hackney and Kidron divisions, is one of the leading specialty truck design and manufacturing companies in the US.

Prior to joining VT SVC, Tracey was Vice President of Sales and Operations for a large national manufacturer of dry freight and refrigerated van trailers. During his 10-year career with the company, he played an integral role in sales growth as Director of National Accounts and as a Territory Sales Representative. He was involved in fleet management for a large food service company earlier in his career.

Tracey is a North Carolina native, holding a degree in industrial technology from East Carolina University. His office will be based in eastern North Carolina, where he and his wife, Jamie, and their son will relocate from Savannah.

Kidron is the country's largest manufacturer of multi-stop refrigerated truck bodies and trailers, primarily serving the food service industry, with operations in OH, FL, CA and PA. Hackney, operating in NC and KS, is a leading producer of specialized aluminum bodies and trailers servicing the beverage, emergency rescue, vending and contractor service markets.

*"Tracey brings with him a successful track record and a wealth of relevant industry experience, and is well positioned to help drive operational improvement and sales growth at VT SVC."*

**~ Mike TUCKER  
President, VT SVC**

*"I am delighted to be associated with VT SVC as the industry has the highest respect for its people and products. So I am very happy to be on board and help VT SVC realize its potential."*

**~ Tracey MAYNOR  
Senior Vice President, Sales and Operations, VT SVC**
